## THE LANCER FOUNDATION

### OUR HISTORY

The Lancer Foundation was incorporated in 1992 to support the educational mission of the Loyalsock Township School District.

In 2011, The Lancer Foundation was expanded to allow broad support for academics, music, art, athletics, and other areas of student achievement.

Present projects include:

a Mini-Grant program,  
a Student Recognition program,  
and an Alumni Association.

### WE Promote...Student Recognition

Students within the Loyalsock Township School District continue to excel in academics, music, the arts, and athletic competition. The Lancer Foundation is committed to recognize and support District students who share their special gifts and talents.

### WE Finance...Mini-Grants

The Lancer Foundation's Mini-Grant Program is designed to provide modest financial support for enrichment of student opportunities within the Loyalsock Township School District. Grants are awarded in a competitive process, based upon faculty and staff application.

### WE Promote...LTSD Distinguished Alumni

The Distinguished Alumni Award recognizes the achievement of Loyalsock High School Alumni. These alumni serve as motivation for current students to excel, remind our faculty of the potential that each student has to make the community better and re-connect alumni to the schools.
