# School Meals

*We serve education every day™*

Our school meals continue to meet federal nutrition standards to ensure that meals are healthy and well-balanced and provide students with the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school breakfast and lunch!

A Free and Reduced Family Meal Application will be sent home with students during the first week of school. If you feel that your child qualifies for this program, please return the completed application to your child's school as soon as possible. You must complete an application every school year for your child to receive the Free/Reduced Meal benefits. If you have been notified that your child has been **preapproved** for the Free/Reduced Meal benefit for the 2018-2019 school year, **you do not need to complete an application**. Please call our office if you have questions regarding the Free/Reduced Meal Program.

We encourage families to register at [www.mySchoolBucks.com](http://www.mySchoolBucks.com) to track student account balances, view student transaction histories and to deposit funds on student cafeteria accounts.
