The Rockoff Family Scholarship

This award was established in 2013 for a LTHS graduating senior intent on pursuing a four-year degree in the field of Music, Business or Health Care.

Despite the apparent diversity of the three professional interest areas, it is the belief of the donor family that in order to be successful in any, and all, of these career paths one must exemplify the following personal attributes:

- Express COMPASSION
- Instill CONFIDENCE
- Demonstrate integrity of CHARACTER, and give back to their COMMUNITY.

Please attach a 500 – word essay which describes how you, the applicant, has and will in the future, incorporate at least two of the above-mentioned attributes as you pursue your future endeavors. Explain how and why you believe these traits to be essential to the success of your chosen course of study.

1. Candidate's Full Name

2. Address

3. Birth date

4. College or university you plan to attend

5. Field(s) of planned college study
