

Good afternoon Loyalsock Township School District families.

This is Jerry McLaughlin, Superintendent of Schools with an important message.

Governor Wolf and the Secretary of Education recently announced that all Pennsylvania K-12 schools will be closed for the remainder of the school year.

We know that this is disappointing for our students, our families and the greater Loyalsock community.

I want to assure you that we have been planning for this option and will continue to move forward with our plans to educate all students. Although there are many challenges, we want to lessen the impact on our students and provide quality educational programs for the remainder of the school year.

Our students in grades 6 through 12 are already receiving planned instruction.

Starting Monday April 13, 2020, students in grades 4 and 5 will also be receiving planned instruction.

Additional information will be communicated by building principals regarding grades K-3.

I will be posting a letter to our website regarding various items. This will include school events, personal items left in our buildings and access to school property.

As a reminder, we will continue to serve lunch and breakfast meals on Monday and Wednesday from 11:30 a.m. to 12:30 p.m.

Please continue to access our website for additional information. I will provide future updates as they become available.

The safety of our students and their families is our number one priority. Thank you for your continued cooperation and stay safe.
