LTMS Weekly Update

Dear Lancer Families,

We look forward to our last days of planned instruction with your student(s). This document is provided as a resource to follow for your student(s) learning and can be accessed at anytime on our district website, [online learning resources](#) tab. Thank you all for your continued partnership in keeping our Lancers healthy and academically engaged.

Please continue to access the student/[parent portal](#) at any time to track academic progress as we conclude our fourth marking period for the 19-20 academic school year. We will conclude instruction by Friday, May 29, 2020.

The first couple days in June will only be utilized for teacher office hours and allow an additional opportunity for students to submit past due assignments in an extra effort for them to earn a passing (65% or above) grade for the remote marking period. During this same time, the secondary campus will host a drop off (iPads and materials) and clean out (lockers) opportunity for families on Monday, June 1 through Wednesday, June 3.

LTMS families are asked to digitally sign up to reserve a 30-minute time slot (in a rotating alphabetical format) on one of these three afternoons, in advance, so we are prepared to move your student(s) through the building as quickly as possible while still following health recommendations and social distancing guidelines. To access, please use the [LTMS Student Drop Off/Clean Out](#) link on MyConferenceTime. We released a detailed document twice this past week.

As always, please continue to reach out to our [Technology Helpdesk](#), teachers, staff and office team with any questions or needs you may have right now. As always, we will update you as new information becomes available. Thank you for your ongoing support and understanding while we make these unprecedented decisions with everyone's best interest. The Lancer Community is resilient and will come out of this pandemic stronger than ever! Remember... be respectful, be responsible, be kind and be courageous... in everything you do and say... be a LANCER!
