LTMS Weekly Update

Dear Lancer Families,

We look forward to another week of planned instruction with your student(s). As in past weeks, we have updated this document as a resource to follow for your student(s) learning. This document can be referenced (along with past instructional weeks) on our district website, [online learning resources](#) tab. Thank you all for your dedication to keeping our Lancers healthy and academically engaged during this time.

LTMS teachers continue to present new instruction based on academic standards to make our students successful at the next grade level. Our policy and procedures for final course grades were communicated in a document to all families on Friday, May 1, 2020. Please continue access the student/[parent portal](#) at any time to track academic progress. We plan to post digital progress reports to the portal on Friday, May 8, 2020. Secretary of Health, Rachel Levine confirmed at 2:00 p.m. today that Lycoming County is set to "reopen" on May 8, 2020! Therefore, we will also plan to mail hard copy progress reports home to students with grades below 70% on Monday, May 11, 2020.

Our goal is to have planned instruction conclude on Friday, May 29, 2020 and finish our academic school year with review and final assessment the in first few days in June to conclude with final course grades on Friday, June 5, 2020. In the near future, we plan to communicate a MyConferenceTime schedule with families to digitally reserve a time slot around this time frame to pick up items (locker remnants, yearbooks, etc.) along with the drop off of iPads at school.

As always, please continue to reach out to our [Technology Helpdesk](#), teachers, staff and office team with any questions or needs you may have right now. We want to wish our entire school community a wonderful weekend! As always, thank you for your patience and support during this most difficult time. Remember... be respectful, be responsible, be kind and be courageous... in everything you do and say... be a LANCER!

Moving forward together,
