 Motion: Andrew Baker Second: Noah Bower
 Yes: All present in favor
 No: None
 Absent: Brian Bubb, Mike Knight, Matt Little and Jess McCoy
 Result: Minutes approved
- III. Occupational Injuries: There was one to report. Maintenance staff moving portable basketball hoops. Employee had deep bruising and had to be off couple of days.
- IV. Summer Items: Staff will be returning soon. Questions related to what are (or) are not allowed back into teachers' rooms. We are looking at only bringing back hard surface items by request. Not allowing fabric in nature items at this time due to not have personnel to clean these on a daily basis.
- V. Start of School: Teachers will be returning on Tuesday, August 24th and schools to open Monday, August 30th.
- VI. Building Project:
 As started in previous meeting, we are looking at adding space to cafeterias at Schick and HS/MS and adding classrooms. An HVAC system (air purifier) is being installed. In addition, we are looking at replacing our cleaning equipment (which is going on 15 years old).

VII. COVID-19 Update:

Mask Update – We are using CDC guidelines on who and when to be masked. Currently, seven counties in Pennsylvania are requiring wearing mask. Local lawmakers are not mandating mask, but subject to change. Could be not required (or) optional. Any staff or student requesting plexiglass, we would accommodate them. DSC will be watching the transmission rate of the new Delta Variance of Covid for increase in cases in our area. We will continue to quarantine and do contact tracing to protect everyone in our district.
