Motion: Mrs. Kiessling

Second: Mrs. Moore

Mr. Wentzel – The point I want to emphasize is to keep our children and staff safe so there is not transmission and contact necessitating quarantining. Therefore, I strongly suggest and support that all students and staff appropriately wear masks, receive vaccinations, and maintain separation distance in all schools. One ounce of prevention is well worth a pound of cure and remember, we all have needed vaccinations as children to attend public school.
