Why Little Lancer Pre-K?

Did you know that Pre-K is not a daycare, a common misconception, it is so much more! A high-quality program like ours will help children stay ahead of the curve and increase their chances to succeed in school and beyond graduation!

At Little Lancer Pre-K we will develop:

- Social skills
- Emotional skills
- Beginning reading and math skills
- Listening skills
- Better attention spans

In the Little Lancer Classroom, your child will ...

- Be taught by certified teachers who have the expertise to foster the learning of young children
- Use a curriculum that will help your child grow academically and socially
- Regularly review your child's progress and choose instruction and learning activities that are best for your child
- Help you and your child adjust to pre-kindergarten and smoothly move on to kindergarten
- Offer a small class size for students with one teacher and one teacher assistant so that your child can have a pleasant school-age experience.

Who is Eligible?
