- III. Occupational Injuries:
 None to report at this meeting. Liberty Mutual hold their annual training next month on there website. Please make sure to register. This training will be in place of our February 2022 meeting.
- IV. Covid-19 Update: Over our holiday vacation break there was a change to what “fully vaccinated” means. The details of this can be found on our website. Our district has not waived on our policy. We are requiring 5 days out and 5 days on return with wearing a mask.
- V. Annual Review- Bylaws
 The district’s Workplace Safety Bylaws are located on our website. Please review and let Dan know if you have any suggestions or changes.
- VI. Updates:
 School Operations Update: At this time, the district is still down a couple custodians. All part-time are working full-time for now. Also, there is still an additional maintenance position open.

School Police Update: Mike Knight brought the Committee up to date on an incident that happened at one of the basketball games. At a recent basketball game, a fight broke out with the spectators. Unfortunately, 8 students were charged. The SROs are looking into whether hoodies/ski mask should be worn to games. Right now, the district is down one SPO due to non-work-related injury. Please keep an eye out and let someone (SROs-principals etc.) know if you think someone should not be in the buildings.

VII. Good of the Order: The winter weather is here, so please be sure to wear the appropriate shoe attire to avoid any injuries. The Committee was thanked. Stay safe.

VIII. Next Meeting: Liberty Mutual Training

IX. Adjournment @ 3:26 pm.
