

Curriculum Map: 8th Grade ELA Reading

Course: READING 8 Sub-topic: Reading

Grade(s): 8

Course Description: Students will develop comprehension and analytical reading skills through the study of a variety of genres. Students will learn how strategic readers think and visualize when they read, interact with, and examine text. Focus areas include strategies for analysis and synthesis of literature, critical thinking, author’s craft and text structure, and elements of literature. The ultimate goal is to promote the development of skills and strategies that students will apply with increasing independence. Also, to further develop in students an appreciation for reading and writing as a lifetime source of information and enjoyment.
