

Curriculum Map: Spanish 3- Honors course

Course: *SPANISH III Sub-topic: Spanish

Grade(s): 11 to 12

Course Description: Spanish 3 is a proficiency-based course that involves meaningful use of language for communicative purposes. Instruction focuses on what students can do with the language. Students will interact and communicate with others while gaining an understanding of and respect for the cultural perspectives, practices and products of different cultures. Critical thinking skills will be strengthened through problem-solving, conceptualizing and reasoning. Connections are made between cross-curricular content areas.

Students will learn how to communicate in everyday situations as outlined in the scope and sequence. Units are organized thematically around situations and scenarios that be applied to real life. Students will acquire a measurable degree of proficiency in interpersonal, presentational and interpretive modes. Performance assessment (ie: role-plays, interviews, letters) are utilized to evaluate students' progress.

Course Goal: Students deepen their ability to comprehend and communicate in the target language in the present, past, and future tenses.

Course Themes

Vacation (focus on camping and outdoor activities) The environment

Cooking Immigration

Myths and Fables Career readiness
