

Curriculum Map: General Music 3

Course: MUSIC Sub-topic: General

Grade(s): 3

Course Description: The focus of this class is to provide students with many enjoyable experiences in music and the opportunity to learn and develop a variety of music-related skills. Through singing, playing, listening, moving, and reading your student will experience the various elements of music in order to become tuneful, beatful, and artful musicians at a rate that is developmentally appropriate for each child. In class, students will also be introduced to various styles and genres of music through culturally relevant experiences.
